To support members of the profession in achieving excellence in their practice of architecture and engineering in the interest of the community

Our Ref: 8/9

6th April 2016

Mr. John Borg
Permanent Secretary
Ministry for Gozo

Dear Sir,

Reference is made to your letter of the 4th April 2016, in answer to our's of the 21st March.

We thank you for responding to the point that was made about the unfeasible time-frame for this contest.

Unfortunately, none of the other serious reservations raised, on the composition of the jury, the composition of the Integrated Design Team, the award criteria, and the violation of local legislation on the copyright of intellectual property, were addressed, and consequently our position remains as previously advised.

The Kamra tal-Periti cannot nominate any representative on the Jury, and will be advising its members of its reservations about this Design Contest.

Regards

Perit Christopher Mintoff
